

A HIGHER LEVEL OF CARE

St. Joseph's Mission

We, the St. Joseph's Hospital Health Center family, inspired by the spirit of St. Francis, welcome with COMPASSION and REVERENCE all people.

We dedicate ourselves to EXCELLENCE as we care for the physical, emotional, social and spiritual needs of those we serve and with whom we work.

We strive to be people of VISION, responding with ENTHUSIASM and INTEGRITY to the needs of all in an ever-changing health care environment.

With a commitment to careful STEWARDSHIP, we accept our sacred mission.

Family Medicine Center

Welcome to the Family Medicine Center

The Family Medicine Center provides medical care to people of all ages, including:

- Delivering babies;
- Caring for children and adolescents;
- Women's health, including routine gynecology;
- Men's health;
- Adult and senior care;
- Sports medicine;
- Care of hospitalized patients; and
- Office care for most medical problems, including minor office procedures

You and your family will have a doctor to care for your family's needs. We are committed to your health, as well as your family's.
