

# Be a Part of Our Walkways of Caring

The Walkways of Caring are beautiful courtyard settings throughout the hospital grounds that offer an affordable and permanent way to contribute to St. Joseph's Hospital Health Center. Your tax-deductible gift will support programs throughout the hospital network, including the college of nursing. With an engraved brick or bench you may commemorate a family member or friend, recognize a hero, or include your own name among the many who have chosen this symbol of love and honor. Engraved bricks are installed in spring, summer and fall. Benches can be engraved at any time and are only available in Caritas Park.

## The Three Walkways of Caring

- **St. Francis Garden** is located at the front of the hospital. Honorees may include a deceased loved one, a special physician or hospital department, or simply your own name as a proud donor.
- **Walk of Valor**, at the flagpole in front of the hospital, pays tribute to veterans, reservists and active military personnel.
- **Caritas Park** (Latin for "charity" or "love") is located in front of the College of Nursing. Celebrate a compassionate nurse, a favorite student, or beloved alumnus.
