Who We Are

For more than 150 years, St. Peter's has been the name people trust for their health care in New York's Capital Region. From world-class heart and vascular surgery, to specialized care for women and babies, to continuing care for our senior population, St. Peter's Health Partners (SPHP) has been recognized for high-quality, compassionate care.

- SPHP's continuum of care is comprised of nearly 1,900 physicians and advanced practitioners in over 185 locations in 12 counties.
- SPHP has three regional hospitals on five campuses.
- St. Peter's Health Partners Medical Associates has more than 950 providers offering primary and specialty care services in nine counties.
- St. Peter's Continuing Care includes seven nursing homes, six assisted living and retirement communities, home health care, two PACE centers, Hospice and more in its system-wide care coordination program.
- SPHP is a member of Trinity Health, one of the nation's largest Catholic health systems operating 93 hospitals in 26 states.
- SPHP is a member of the Innovative Health Alliance of New York (IHANY).

Recognitions in FY24

- St. Peter's and Samaritan Hospitals have performed more than 27,000 robotic procedures – with SPH ranked in the top 1% in the U.S.
- *U.S. News & World Report* named St. Peter's Hospital Best Regional Hospital (11 consecutive years), No. 1 in Albany Metro, No. 17 in NYS with 14 high-performing designations
- St. Peter's Hospital is a Magnet®-designated organization (4th time in a row)
- Sunnyview Rehabilitation Hospital has received Commission on Accreditation of Rehabilitation Facilities (CARF) status since 1985.
- *Newsweek* has recognized St. Peter's Health Partners as a "Best Place to Work for Women," based on metrics including compensation, work-life balance, and commitment to diversity and inclusion.
- Samaritan Hospital has been recognized by The American College of Surgeons National Surgical Quality Improvement Program (ACS NSQIP®) for achieving meritorious outcomes for surgical patient care in 2023.
- CHAP-accredited community care programs include Community Hospice, Empire Home Infusion Services, Northeast Home Medical Equipment, and Eddy Visiting Nurse & Rehab Association (including infusion nursing and palliative care)
- Baby-Friendly designation from Baby-Friendly USA

Who We Are

St. Joseph's Health is a regional non-profit health care system based in Syracuse, NY, and has been an innovative leader in health care since our founding in 1869 as the first hospital open to the public in the city of Syracuse.

- The St. Joseph's Health continuum of care is comprised of more than 1,130 physicians and advanced practitioners offering acute, ambulatory, primary and specialty care services throughout 16 counties in central New York and northern Pennsylvania.
- Our ability to collaborate with community partners advances the well-being of the communities we serve through an expanding range of services to ensure our patients achieve optimum long-term health.
- St. Joseph's Health is a member of Trinity Health, one of the nation's largest Catholic health systems operating 93 hospitals in 26 states.
- We are a member of Central New York Accountable Integrated Medicine (CNYAIM)
