# Lighting the Way

By The Auxiliary of St. Joseph's Health

**Tuesday, November 18**

Presenting Sponsor:  
American Food & Vending Corporation

Special Thanks to National Grid

The Auxiliary will illuminate Prospect Hill in honor of our St. Joseph's Health Colleagues and the patients they serve.

The illumination begins on Tuesday, November 18

This year, proceeds from Lighting the Way will be allocated toward our Oncology Department Capital Campaign. Lighting the Way, a spectacular Auxiliary Board Event, illuminates Prospect Hill during the holiday months. During the past five years donations received from this and our other popular Auxiliary events have backed funding for our Emergency Department Patient Portal System, and our Neonatal Intensive Care Unit.

**We graciously thank you for your generosity, both past and present. It has sustained our endeavors.**

**Lighting the Way revenue will benefit our entire St. Joseph's Health and the Syracuse community.**

**THE SPIRIT OF THE AUXILIARY LIVES ON**

The Auxiliary has been a constant presence throughout the history of St. Joseph's Health Hospital. As we fulfill our Mission, we continue to adapt to the circumstances which have brought individuals through our doors. Our Auxiliary Service Projects, such as this one, focuses on providing a healthier community through the excellence of care. Significantly, Lighting the Way is an amazing tribute to those who care for our patients, is a gentle prayer for all those seeking better health, and is a glittering memorial for those who have passed.

**ST. JOSEPH'S HEALTH CANCER CARE**

Every family has been impacted by cancer. Our Oncology Department aims to provide comprehensive cancer care through diagnosis, treatment, and support services for patients and their families. This includes personalized treatment plans, access to cutting-edge therapies, and a multidisciplinary approach to care. The Auxiliary is proud to say that Lighting the Way donations will support Medical Oncology at St. Joseph's Health.

**OUR PAST PROVES OUR DEDICATION**

Based on our records dating back to 1992, the Auxiliary has provided over \$10 million to serve the needs of our community and St. Joseph's Health including:

- Cardiac Catherization Lab
- Cecile Ianno Emergency Department Care and Share Closet
- Chest Pain Center
