We're more than just a hospital.
Excellence in healthcare begins with caring medical professionals. At St. Joseph’s Health, our award-winning doctors, nurses, clinical affiliates, and colleagues work harder because they care more. We’ve received Blue Distinction® recognition, Women’s Choice® honors, Healthgrades® awards, and Consumer Reports® top rankings, and we’re rated a Best Regional Hospital by U.S. News & World Report—the same organization that ranked our Magnet-designated hospital #9 in New York State and named it “Best in Central New York.” We hold ourselves to a higher standard, so you can expect a higher level of care.
A MESSAGE FROM LESLIE P. LUKE
President & CEO, St. Joseph’s Health

Welcome to St. Joseph’s. We are pleased to offer you a wide range of health care services, including hospital-based, as well as outpatient services. Our vast system of primary care includes everything from family medicine to dental to behavioral health. In addition, we offer home care, imaging, physical therapy and medical equipment, to name only a few. St. Joseph’s prides itself on being a compassionate health care provider, offering the highest level of care to the community. I personally invite you to discover the St. Joseph’s difference.

CONNECTING MORE LIVES THAN EVER BEFORE

St. Joseph’s Health is a non-profit regional health care system based in Syracuse, NY, providing services to patients throughout Central New York and northern Pennsylvania. From primary to specialty to home care, to our Magnet-recognized hospital, and in collaboration with our community partners, St. Joseph’s is advancing the health of the communities we serve through an expanding range of services to ensure our patients achieve optimum health.

A CONTINUUM OF CARE

St. Joseph’s Health Hospital has been, and remains, the backbone of our integrated system, delivering award-winning care and providing enhanced value to our primary, specialized, and urgent care facilities throughout the region. A nationally recognized leader in cardiovascular and orthopedic surgical care, the 451-bed comprehensive medical care institution is advancing the standards of care through innovative technologies and improvement in patient care. Our two state-of-the-art ambulatory surgery centers offer outpatient surgery services that do not require an overnight stay.

The continuum of care extends to our comprehensive primary care services provided across multiple locations which help maximize personal health management and overall well-being. Supporting patients’ desire to live at home, Franciscan Companies provides a variety of health-related services including home medical equipment, respiratory therapy, sleep disorder treatments, home care, senior programs, wellness initiatives, Lifeline medical alert, medication dispensers and telehealth.

St. Joseph’s Health is part of Trinity Health, a Catholic national health care system located in Livonia, Michigan. The membership with a larger faith-based organization strengthens our 150-year old mission of Catholic health care and together we are committed to providing better health, better care and lower operating costs in the communities we serve.

BEHAVIORAL HEALTH

Behavioral Health Residential Services
The Residential Services Program offers two levels of care which provide structured and supportive environments for patients with psychiatric disabilities, 18 years of age and older.

The primary goal of both the supervised community residence program and intensive supportive apartments is to ensure that those in need will receive the support and services necessary to maintain the most appropriate level of independent living possible.

Children & Youth Outpatient Clinic
The Children and Youth Clinic provides behavioral health services to children up to the age of 18 and their families. Children and youth are treated individually, in families, in groups, through collaborative services for parents and significant others. Medication services are also available.

742 James St.
Syracuse, NY 13203
PH: (315) 703-2800

Comprehensive Homeless Access to Nontraditional Clinical Experiences (CHANCE)
A cooperative effort of St. Joseph’s, the Onondaga County Department of Mental Health, the Syracuse Rescue Mission, and the Salvation Army, CHANCE helps individuals transition from psychiatric inpatient units and correctional facilities into homeless shelters.

742 James St.
Syracuse, NY 13203
PH: (315) 703-2700

Comprehensive Psychiatric Emergency Program (CPEP)
CPEP is a licensed Psychiatric Emergency room, serving individuals from Onondaga and Madison counties, and visitors in the Greater Syracuse area. CPEP is fully staffed 24 hours a day, seven days per week.

St. Joseph’s Health Hospital
301 Prospect Ave.
Syracuse, NY 13203
PH: (315) 448-6555

Mobile Crisis Outreach
Mobile Crisis Outreach provides an off-site initial screening for individuals in emotional crisis. Individuals who require a full psychiatric assessment by the physician will be transported to CPEP by 911 services.

St. Joseph’s Health Hospital
301 Prospect Ave.
Syracuse, NY 13203
PH: (315) 726-8650

Personalized Recovery Oriented Services (PROS)
PROS is a comprehensive, recovery oriented program for individuals who are ready to overcome personal and social barriers that are often associated with severe behavioral health conditions.

CARDIOVASCULAR SERVICES

Cardiac Services
St. Joseph’s provides a full range of cardiovascular services through its award-winning program, including surgery, interventional procedures, diagnostics and rehabilitation.

PH: (315) 634-6699

Cardiac Catheterization
Our state-of-the-art cardiovascular laboratory is the highest volume facility in Central New York, serving more than 5,000 patients annually. The interventional cardiologists on staff have participated in national studies of promising new technologies, including the drug-eluting stent.

Cardiac Rehabilitation
Cardiac rehabilitation, or “cardiac rehab,” is an exercise and education program for patients with heart disease. This program can actually lower the risk of cardiac death by 25 percent. Requires physician referral.

7246 Janus Park Dr.
Liverpool, NY 13088
PH: (315) 458-7171

Cardiac Surgery
St. Joseph’s cardiac surgery program offers minimally invasive valve and coronary artery bypass surgery. Surgeons continue to perform the most open heart procedures in Central New York with the lowest risk-adjusted mortality rates.

Electrophysiology
St. Joseph’s electrophysiology laboratory is used to diagnose and treat patients with cardiac arrhythmias (irregular heartbeats).

St. Joseph’s Health Hospital
301 Prospect Ave.
Syracuse, NY 13203
PH: (315) 448-6117

Transcatheter Aortic Valve Replacement (TAVR)
TAVR is a less invasive alternative to open heart valve replacement surgery. It requires a referral from your physician.

St. Joseph’s Health Hospital
301 Prospect Ave.
Syracuse, NY 13203
PH: 1-888-STJOES1 or (315) 448-5871

DENTAL
Dental Services
Dental hygienists and dental residents, along with dental assistants and other support staff, provide dental care under the direction of attending dentists from the community who volunteer their time.

101 Union Ave.
Syracuse, NY 13203
PH: (315) 448-5477

DIAlysis
Dialysis Services
St. Joseph’s specializes in diagnosing, treating and educating patients with chronic kidney disease. Acute dialysis services are also provided in the inpatient Acute Kidney Unit located at St. Joseph’s Health Hospital.

Camillus Dialysis Center
5101 W. Genesee St.
Camillus, NY 13031

IMAGING

Medical Imaging Services
Through its inpatient and outpatient centers, Imaging at St. Joseph’s offers patients a full range of imaging services. The Imaging at St. Joseph’s outpatient center includes two digital X-ray rooms, one 64-slice CT scanner, and three ultrasound rooms. In addition, the outpatient center now includes the area’s newest digital mammography and bone densitometry (DEXA) unit to test for osteoporosis. A full range of services, including outpatient studies not currently available at the outpatient facility, are available in the hospital to all patients.

FAX: (315) 472-8497

Intensive Care Nursery  
Our Level III Intensive Care Nursery (ICN) is equipped and staffed 24-hours a day to provide newborn critical care. Each year, sick or premature infants from 16 Central New York counties receive care in our Level III ICN. The nursery is located on the same floor as Labor and Delivery,
the Mother-Baby Unit and the Birth Place.

St. Joseph’s Health Hospital
301 Prospect Ave.
Syracuse, NY 13203
PH: (315) 448-5474

Labor and Delivery
There are eight private labor and delivery rooms; patients remain in the rooms throughout the birthing process.

St. Joseph’s Health Hospital
301 Prospect Ave.
Syracuse, NY 13203
PH: (315) 448-5515

Labor Preparation Class
You will learn how the mother’s body functions to deliver the baby, breathing and relaxation methods to help through labor, medical and non-medical options available during labor, information on cesarean births, and creating flexible birth plans. A tour of St. Joseph’s maternity units is included. A continental breakfast and lunch are provided on Saturday.

Mother Baby Unit
Our Mother Baby Unit focus is family-centered care. You and your baby will be cared for by one nurse. Individualized teaching is done with all our patients.

St. Joseph’s Health Hospital
301 Prospect Ave.
Syracuse, NY 13203
PH: (315) 448-5515

Neonatal Services
Our team in the Level III Neonatal Intensive Care Unit provides care to those infants who are born too soon or have medical or surgical issues. We accept transports from throughout the region and are staffed 24/7 with neonatologists and neonatal nurse practitioners.

Newborn Care Class
Features a presentation on newborn characteristics and a hands-on practice session where you learn how to bathe your baby, take a temperature, diaper and care for the circumcision. Also covered are feeding issues, preparation for baby’s home and car safety.

Obstetrical Services
As a Level III Perinatal Service providing care to the complex and high risk obstetric patient, we have 24/7 coverage for epidurals and specialists. In Our 3 bed Birth Place, we provide care to the low risk obstetrical patient. Our Mother Baby Unit is the only post partum unit in Syracuse with all private rooms.

As a Baby Friendly Hospital, we are the gold standard for support of breast-feeding and are the only hospital in Central New York to hold that designation.

Sibling Class
Teaching children about normal infant behavior, feelings children may have, ways to help mom and dad with the new baby.

Staying in Touch
Topics include breast pumps (types; buying or renting), pumping (when and how), storage and transporting milk, introduction of bottled milk, and juggling children, work and school. Babies are welcome.

Women’s Services
Women and Children’s Services includes labor and delivery, postpartum, intensive care nursery and The Birth Place.

301 Prospect Ave.
Syracuse, NY 13203
PH: 1-888-STJOES1 or (315) 703-2138

WOUND CARE
Center for Wound Care & Hyperbaric Medicine
The Center for Wound Care and Hyperbaric Medicine features state-of-the-art services for patients whose wounds fail to heal normally.

Our team of experts provides comprehensive care for wounds caused by diabetes, circulatory problems, traumatic injuries, radiation, pressure, surgical wounds and other circumstances.

4206 Medical Center Dr.
Fayetteville, NY 13066

Heading to the ER?
Save your spot in line, online.

GET InQuicker AT
ST. JOSEPH’S HOSPITAL

St. Joseph’s Health just made it easier for you to get in and out of our ER. InQuicker allows you to check-in online and wait from home until your time to be seen.

Visit www.sjhsyr.org, answer a few questions, choose a time that’s convenient for you, and we’ll be waiting for you when you get here.

Patients are seen in order of severity, therefore, your spot may not be guaranteed. In case of a life-threatening emergency, call 911.
